FATHER'S DAY JUNE 21, 2026

Fathers are the quiet architects of our lives — guiding, protecting, and loving in ways words often fail to capture. This Father's Day, let's celebrate not just their strength, but their tenderness, wisdom, and sacrifices. A heartfelt thank you to all fathers who teach us resilience and kindness every day.

PARENT'S CORNER

"Every Butterfly Begins as a Caterpillar" As parents, we admire the beauty of a butterfly, yet its true story lies in the journey it takes. A caterpillar grows patiently, embraces change, and transforms into something extraordinary. Our children are on a similar journey. Every lesson they learn,

every challenge they overcome, and every activity they participate in helps them grow in confidence, character, and creativity. At Sri Vijay Vidyalaya Matric Higher Secondary School, they are nurtured in an environment where learning extends beyond the classroom and every child is encouraged to discover their unique potential. As parents, our greatest role is to believe in their journey, celebrate every small achievement, and support them as they spread their wings.

"Transformation takes time, but with love, learning, and encouragement, every caterpillar becomes a butterfly."

Warm Regards,

Mr. Vivek s.
