A MESSAGE FROM THE INCHARGE:

When dedication is paired with encouragement, a school becomes a place where every child can grow with confidence and purpose. A strong school culture is built when each student is supported, every effort is recognised, and every day begins with positive intent.

At SVVD High School, steady progress is being seen in students' academic performance, behaviour, and active participation in school life. This reflects the continuous guidance and commitment of the teaching staff, who strive each day to support and motivate every learner.

Students and parents are kindly reminded of the importance of regular attendance, punctuality, and consistent effort. These simple yet essential habits contribute greatly to personal growth and help maintain a disciplined and positive learning environment.

The school remains committed to providing a nurturing atmosphere where students feel motivated to learn and confident to develop their strengths. With the collective support of parents, teachers, and staff, every child can be guided towards reaching their full potential.

With regards,

STUDENTS' CORNER

THE LOST SHOE

Tom couldn't find his shoe,
He looked high and low, it wasn't in view.
His cat meowed and pointed with a paw,
It was under the chair, the whole time—aha!

Tom laughed and learned that sometimes what we seek
Is closer than we think, right under our feet.

BELIEVE IN YOURSELF

Leo felt small, unsure, and shy,
But he whispered, "I will try."
Step by step, he reached the top,
And learned believing never stops.

Moral: Believe in yourself, and you can achieve anything.
