# A MESSAGE FROM THE ACO:

**“WHEN COMMITMENT MEETS ENCOURAGEMENT,  
EVERY CHILD RISES TO THEIR FULLEST POTENTIAL.”**

A school becomes stronger when every child is encouraged, every effort is valued, and every day begins with purpose.”

As I look around SVVD High School, I see steady progress in our students—whether in their academics, behaviour, or participation in school activities. I am encouraged by the commitment our teachers show each day to guide and support every learner.

I would like to remind students and parents about the importance of regular attendance, punctuality, and consistent effort. These simple habits play a big role in shaping a student’s future and help us maintain a positive school atmosphere.

I remain dedicated to providing an environment where students feel motivated to learn and confident to explore their strengths. With the support of our parents and staff, I believe we can help every child reach their full potential.

With regards,

## THE LOST PENCIL

Riya was upset—she had misplaced her favourite pencil just before her test. She searched everywhere: under her desk, inside her bag, even in the corridor. Finally, her friend Arun smiled and pointed to her ear. The pencil had been tucked behind it the whole time! They both laughed, and Riya learned that sometimes the things we're searching for are right beside us.
