Doctors day

1st July 2026

Doctors play a very important role in our society. They save lives, treat illnesses, and help people recover from diseases. They work day and night, often putting the needs of their patients before their own.

Doctors also guide us about healthy habits, proper nutrition, cleanliness, and disease prevention. During emergencies and difficult times, they show great courage, patience, and dedication. Their selfless service makes them an important part of our community.

On Doctors' Day, we express our heartfelt gratitude and respect to all doctors for their valuable contribution to keeping us healthy and safe

VICE PRINCIPAL'S MESSAGE

Dear Students,

When we look back at our journey in Sri Vijay Vidyalaya, Dharmapuri, we realise that a school is not merely a place where we learn lessons from textbooks. It is a place where we create memories, discover our talents, build friendships, learn values and prepare ourselves for the journey of life.

Every year, Sri Vijay Vidyalaya has gifted us countless moments to cherish.

Our Annual Day celebrations have always been a vibrant reflection of the talent, creativity and confidence of our students. The colourful dances, music, speeches, cultural programmes and the proud smiles of parents watching their children perform have created memories that will remain in our hearts for years to come.

Our (Parent-Teacher Open Day) Meetings PTODM have provided a meaningful platform where parents and teachers come together to understand every child's progress, strengths and areas for improvement. These interactions have strengthened the partnership between the school and parents, always keeping the well-being and growth of our students at the centre.

Our systematic assessment practices have helped students understand that examinations are not merely about marks. They are opportunities to identify our strengths, recognise our learning gaps, improve continuously and become better learners. Every assessment has been a stepping stone towards greater confidence and academic excellence.

Beyond academics, our school has provided opportunities through sports, competitions, clubs, cultural programmes, leadership activities, celebrations and various enrichment programmes. Each experience has helped students discover something new about themselves.

And then there are the little memories—the morning assemblies, classroom interactions, laughter with friends, encouragement from teachers, celebrations, competitions, achievements and even the occasional mistakes that taught us valuable lessons. These are the moments that make a school journey unforgettable.

Sri Vijay Vidyalaya is not just a school we attended; it is a part of who we become.

As you move forward, carry these memories with gratitude. Remember the teachers who guided you, the parents who supported you, the friends who stood beside you and the opportunities that helped you grow.

Let every experience here inspire you to become more disciplined, more responsible, more confident and more compassionate.

With Regards,

Vice Principal,

Dr.VILMA ROSELINE J.

Investiture Ceremony – 6th July 2026

"A leader is one who inspires others to rise." With this spirit, the Investiture Ceremony held on 6th July 2026 at the SVVD Campus celebrated the dawn of a new chapter in student leadership.

As badges were pinned and sashes were bestowed, the newly elected Student Council proudly pledged to lead with integrity, courage, and commitment. Their oath symbolized not just an honour, but a promise to serve, inspire, and uphold the values of the school.

The ceremony concluded with hope and pride, reminding everyone that true leadership is measured not by position, but by purpose and action.

Interhouse Games Selection

Under 11 & Under 14 - 7th July 2026

"The grounds of SVVD Campus came alive with energy and excitement as the Interhouse Games Selection for the Under 11 and Under 14 categories was held on 7th July 2026. Every sprint, throw, and leap reflected the determination of young athletes striving to earn their place and uphold the pride of their respective houses.

The event was seamlessly conducted by the PET Department under the able guidance of Sports Co-ordinator Mr. Arunagiri, whose meticulous planning ensured a fair and spirited selection process. Principal Mr. Jayseelan inspired the students with his encouraging words, reminding them that true victory lies in dedication, discipline, and the courage to give one's best.

More than just a selection trial, the event celebrated resilience, teamwork, and the enduring spirit of sportsmanship, setting the stage for an exciting sporting season ahead

Kamarajar Birthday Celebration

15th July 2026 | Special Assembly

"Education is the light that transforms lives." This timeless vision of Kamarajar came alive as our school observed his birth anniversary through a special assembly on 15th July 2026 at the SVVD Campus. The assembly echoed with inspiring speeches, meaningful presentations, and heartfelt tributes that celebrated the legacy of the Kingmaker whose unwavering commitment to education changed the lives of countless children. Addressing the gathering, Vice Principal Dr. Vilma Roseline encouraged students to embrace Kamarajar's ideals of humility, perseverance, selfless service, and lifelong learning. The celebration served as a gentle reminder that true greatness lies in empowering others through education, leaving every student inspired to dream big, learn wholeheartedly, and serve society with compassion.

Interhouse Matches

Under 19 Boys & Girls - 15th July 2026

The SVVD Campus echoed with cheers and house spirit as the Interhouse Matches for the Under 19 Boys and Girls took centre stage on 15th July 2026. Every match was a thrilling display of determination, teamwork, and sporting excellence, with students giving their best to bring glory to their houses.

The vibrant energy of the players and the enthusiastic support from spectators created an unforgettable atmosphere. More than a contest for victory, the event celebrated resilience, unity, and the true spirit of sportsmanship, leaving behind memories as inspiring as the victories themselves.

Creative Carnival

31st July 2026

Every child is an artist; all they need is a canvas to shine." The SVVD Campus blossomed into a vibrant world of colours and creativity as students enthusiastically participated in the Creative Carnival on 31st July 2026. The event celebrated imagination through a variety of artistic competitions tailored to different age groups.

Students of Classes I & II filled their canvases with vibrant colours in the Colouring Competition, while Classes III to V captivated everyone with their imaginative Drawing and Colouring creations. Displaying remarkable observation and artistic finesse, Classes VI to VIII showcased their talent through Still Life Drawing, transforming simple objects into beautiful works of art.

The carnival was a joyous celebration of creativity, originality, and self-expression, inspiring every young artist to dream, create, and colour the world with confidence

Field trip

Field Trip – Classes I to III

27th July 2026 | Government Museum & Children's Park, Krishnagiri

"Little explorers... Big discoveries!" Curiosity took the lead as the enthusiastic students of Classes I to III set off on an exciting educational journey to the Government Museum and Children's Park, Krishnagiri. Every exhibit sparked wonder, every artefact told a story, and every playful moment strengthened friendships. Blend learning with laughter, the trip transformed an ordinary day into an unforgettable adventure, leaving young minds inspired to explore the world with curiosity and confidence

Field trip

Field Trip – Classes IV & V

28th July 2026 | Parshwa Padmavathi Jain Temple, Children's Park & Krishi Vigyan Kendra (KVK), Pappalapatti

"Three destinations... Endless learning!" The students of Classes IV & V embarked on an enriching expedition that beautifully blended heritage, nature, and science. From the peaceful ambience of the Parshwa Padmavathi Jain Temple to the joyful moments at the Children's Park, and the fascinating world of modern agriculture at the Krishi Vigyan Kendra, every stop offered a unique learning experience. The journey nurtured curiosity, cultural appreciation, and scientific thinking, making learning truly come alive beyond the classroom

Field trip

Field Trip – Classes VI to VIII

29th July 2026 | Mettur Dam

The students of Classes VI to VIII experienced the grandeur of the magnificent Mettur Dam, one of Tamil Nadu's greatest engineering marvels. Witnessing its vast reservoir and impressive structure gave students a deeper understanding of water conservation, irrigation, and sustainable development. Surrounded by breathtaking views, the trip inspired awe, encouraged environmental awareness, and reminded every student that knowledge flows far beyond textbooks.

Field trip

Field Trip – Classes IX to XII

30th July 2026 | Indo-Israel Centre of Excellence for Cut Flowers,
Thally, Krishnagiri

The students of Classes IX to XII visited the Indo-Israel Centre of Excellence for Cut Flowers at Thally, Krishnagiri, where technology and agriculture flourished hand in hand. Exploring advanced floriculture techniques, greenhouse cultivation, and modern farming practices, the students gained valuable insights into the future of sustainable agriculture. The visit was a refreshing blend of science, innovation, and inspiration, encouraging young minds to see agriculture as a field of endless possibilities

Students' Corner

Our Happy Place

School is not just a building where we study—it is a place where we laugh, learn, discover, and create lifelong memories. Every day, Sri Vijay Vidyalaya brings new opportunities to explore our talents, build friendships, and become better versions of ourselves.

Our teachers inspire us to believe in ourselves, encourage us to ask questions, and guide us with love and patience. From classrooms to competitions, cultural events to sports, every experience teaches us confidence, teamwork, discipline, and kindness.

We are grateful to our teachers and school for making learning enjoyable and meaningful. We proudly carry the values of our school and promise to learn with curiosity, respect others, and always strive for excellence.

R.Sangamithran,
Class VI .

Parents' Corner

A Journey of Trust and Growth

As parents, there is no greater joy than watching our children grow into confident, kind, and responsible individuals. At Sri Vijay Vidyalaya, we have found a second home for our children—a place where learning goes beyond textbooks and every child is encouraged to dream, explore, and achieve.

The dedicated teachers nurture each student with patience, care, and encouragement, creating a safe and inspiring environment where every child feels valued. Along with academic excellence, the school promotes discipline, values, creativity, leadership, and confidence through various co-curricular activities and events.

We sincerely thank the management, teachers, and staff for their unwavering commitment to shaping young minds. Together, let us continue building a bright future for our children, one step at a time.

“A school succeeds when parents and teachers walk hand in hand for every child's future.”

R.Vaitheeshwari

A Proud parent of R.Sangamithran (VI) & R.Saimithran (VI)

Teacher's Corner

The Joy of Reading

Books are windows to new worlds, new ideas, and endless possibilities. Developing a reading habit not only improves language and knowledge but also strengthens imagination, creativity, and critical thinking.

We encourage every student to spend a few minutes each day reading a book, a newspaper, or an educational article. Every page read adds to your confidence and broadens your understanding of the world.

Reading every day helps students build a rich vocabulary, improve concentration, and develop the ability to express their thoughts clearly. It also teaches empathy by helping us understand different people, cultures, and perspectives.

Remember, Every page you read is a step toward greater knowledge and confidence. Today's readers become tomorrow's leaders. Let us make reading a joyful daily habit and continue our journey of learning with curiosity and enthusiasm.

With regards,

Sindhuja.M

Middle Wing Teacher
